- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Volleyball Bulletin.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.

- F. Games postponed during the regular season shall be made up on the first available date and in the order originally scheduled. Subsequent games shall not be moved. Local supervisor(s) of athletics shall be consulted and will make final decisions on postponed games.
- G. The Girls State Volleyball Committee is requiring the use of the Molten IV58L Super Touch with the NFHS authenticating mark during the region and state tournament. The Molten IV58L Super Touch ball used in all state semifinals and finals will be a three-panel colored ball with white, red and black solid panels provided by the MPSSAA. It is highly recommended the Molten IV58L Super Touch with the NFHS authenticating mark be used during the regular season.

- 3. Official warm-ups shall consist of:
  - a. Only the official team party's uniformed members, managers, and coaches shall assist with warm-ups in any manner, including tossing, feeding, and retrieving volleyballs.
  - b. 15 minutes of shared-court time (use of 1/2 court only, no over-the-net play).
  - c. The use of the game net shall be six minutes for Team A, then six minutes for Team B. Teams may use their six minutes in any way they want, including serving.

#### C. General Policies

- 1. The official representatives of a school (20 total players, managers, and coaches) shall be admitted free at a designated entrance door after being identified by the coach. Each team will be responsible for supplying two ball retrievers of high school age, who will be admitted free of charge and not included in the school's allotted 20 representatives.
- 2. Each school should feel a responsibility for its athletes and team followers to exhibit good sports-manship. For purposes of crowd control, the principal and school personnel should be alert to detect and correct or discipline any unsafe or unruly behavior. Refer to page 3, Section II.D, in the front section of this publication.
  - a. Upon arrival, each school should identify its security person (administrator).
  - b. Noisemakers and other distractions, i.e., sirens, whistles, horns, bells, etc., are prohibited.
  - c. Balloons, large hats, mascots, etc. must not visually obstruct teams, officials, or spectators.
  - d. Signs are permitted which display a positive support of the school. Derogatory or obscene signs will be confiscated. Signs may not be carried through the stands as a means of taunting other spectators. Principals and faculty members of participating schools are expected to enforce this regulation.
- 3. When local jurisdictions allow and can accommodate pep bands, 15 band members, accompanied by a faculty sponsor, will be admitted free. Pep bands will alternate playing time and, once a contest begins, will play only when time is out. Bands will coordinate their playing with the cheerleaders from their school.
- 4. A maximum of 20 cheerleaders from each of the participating schools will be admitted free of charge only if they are in complete uniform and accompanied by a coach. Cheerleaders should get together before the contest to work out arrangements for each school to cheer, unopposed by the other. Cheerleaders should use their megaphones only for addressing their own student body.

#### **III. REGION TOURNAMENT**

#### A. Tournament Organization

1. The region director (listing of directors found on page 55) is responsible for the assignment of officials and the notification of schools as to the tournament bracket, site, and starting times.

- a. The region director shall employ local officials who service the designated home team, plus qualified individuals as scorers and linesmen.
- b. The region director shall inform the state committee director and the MPSSAA of the schedule established for competition.
- The draw for bracket positions will take place Monday, Oct. 27 in the MPSSAA office via conference call with the state tournament chair. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> later that day.
  - a. Region directors will verify and submit to the state tournament chair by 9 a.m., Oct. 26, the official records of all teams for regular season games played through Oct. 25.
  - b. All teams in each section will be seeded as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship.
  - c. Teams with less than 12 varsity games played will be seeded based on a regular season winning percentage using a divisor of 12 games.
  - d. Ties among teams in a section will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used to determine the order of seeding.
  - e. The higher-placed team is defined as one who occupies the lower-numbered position (the favored position), on the bracket in any given round.
- 3. All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section II will host in 2014, Section I will host in 2015. The option to conduct region and sectional contests at neutral or central sites remains.
  - a. The sectional quarterfinals of the region tournament may be played on either Thursday, Oct. 30 or Friday, Oct. 31. The higher-placed team will determine the date of the contest in consultation with the opposing school. Every effort should be made to avoid conflicts and local supervisors of athletics shall be consulted and make the final decision when conflicts occur.
  - b. The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to Oct. 1.
  - c. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
- 4. Region contests will begin no earlier than 5 p.m. unless agreed upon by the two schools involved. **Regional directors MUST be notified of all starting times.**
- 5. Local MPSSAA districts will collect all revenue and pay all expenses. Site directors shall pay officials and required workers. When funds are not available, fees should be referred to the host district.

#### B. General Policies

- 1. Individuals 7 years of age and older will be charged an admission of \$6.
- 2. Teams will provide their own balls for warm-ups.

- 3. The host school will provide the official game ball, Molten IV58L Super Touch.
- 4. Each region director must call or email the state tournament director Sybil Modispacher (sybil\_modispacher@hcpss.org or 443-794-8513) with results immediately following the completion of the final game on November 7/8 to report the name of the winning team, their win-loss record, the head coach's name and phone number, and the athletic director's name and phone number. The state tournament director will then contact the coaches involved with the alignments for advancement into state play.
- 5. Team champions will receive a region plaque plus individual certificates.
- 6. Region champions will complete the media information form (found on the volleyball page of mpssaa.org) and bring the requested copies to the state semifinals.
